

NURSE LEADERSHIP ACADEMY 2019

Enhancing Leadership Competency and Abilities for Aspiring Nurse Leaders

The Wisconsin Organization of Nurse Leaders (WONL) and Wisconsin Nurses Association (WNA) have proudly collaborated to offer the WONL Nurse Leadership Academy for our nursing leaders of tomorrow. We believe this collaborative effort will build a strong foundation for nursing leadership excellence that will influence the future of health care.

Now accepting nominations for the 2019 Programs!

The *WONL Nurse Leadership Academy* is designed to bring together staff nurses aspiring to be nurse leaders and new managers from diverse practice environments to participate in interactive sessions to build leadership competencies and skills. All candidates must be nominated by the Chief Nursing Officer (or designee) of their employing organization. Each NLA program consists of 2 on-site conference days followed by 1 additional on-site conference day six weeks later. Participants must also complete assigned pre-work, conduct a personal 'project' at their workplace between class dates, and present the results of their project when returning on Day 3.

Nurse leaders from the organizations sponsoring each Academy will present the following classes:

- ◆ Self as Leader
- ◆ Principles of Communication
- ◆ Creating a Healthy Practice Environment
- ◆ Diversity and Generational Gifts
- ◆ Facilitation and Team Development
- ◆ Leading Your Team through Change
- ◆ Strategic Thinking and Performance Improvement in High Reliability Organizations
- ◆ Academy Applications to Practice
- ◆ Development of Individual Leadership Plan

2019 Program Dates	Sponsor/Location	Application Deadline
WNLA-1: July 15-16 and August 22	Bellin Health in Green Bay	June 29
WNLA-2: Sept. 30-October 1 and November 25	Gundersen Health System in La Crosse	August 26

Please visit the [NLA webpage](#) for more specific information on each program and a link to the online application. Overnight room blocks at nearby hotels, daily schedules, faculty, directions, parking, etc. will be posted on each program's webpage when available.

NURSE LEADERSHIP ACADEMY 2019

CNE Credit: 17.5 contact hours of Continuing Nursing Education credit are available to participants who attend all 3 program days, complete required pre-work and individual project, and submit all program evaluations. The Wisconsin Nurses Association is approved with distinction as a provider of continuing nursing education by the Montana Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

Completers will also receive a NLA Graduation Certificate from the Wisconsin Organization of Nurse Leaders.

Registration Fee: \$400 for all three days of conference, materials, and breakfast/lunches. The fee is reduced to \$200 if the nominating CNO/designee is a member of WONL prior to submitting application. No payment is required at the time of application – the sponsoring organization will be invoiced after candidate acceptance into a program.

Nomination/Application Process: *Online application only*

CNOs must nominate likely nursing candidates from within their organization to apply for specific NLA programs. Support for candidates typically includes payment of the registration fee, travel and overnight stay as appropriate, time away from work to attend all 3 class days, and mentorship support to complete an individual project at the workplace. The nominating CNO will need to provide 'Sponsor Information' to the candidate to enter on the online application (see next page for list of application questions). **The candidate is responsible for completing and submitting the online application** – confirmation emails will be sent to the candidate and nominating CNO to verify that the application was received.

We limit acceptance for a given NLA program to one participant per facility but will consider additional candidates if the class has not filled by the application deadline. If all candidates from a facility cannot be accommodated in the desired NLA program, the CNO will be contacted to determine which candidate(s) have priority to attend.

Application Review: Members of the *Nurse Leadership Academy* regional program planning committee from WONL will review applications and accept candidates based on:

- ◆ order in which application was received
- ◆ WONL membership of nominating CNO/designee
- ◆ limit of 1 candidate per facility (additional candidates considered if class doesn't fill by due date)
- ◆ **class size limited to 40 participants**

Acceptance Notification: All candidates and their nominating CNO/designee will be notified of the committee's decision via email within one week after the program's application deadline date. Eligible candidates who cannot be accommodated in their first choice program will be prioritized for a future program of their choosing.

Specific Program Instructions: Accepted candidates will receive emails from the WNA office with more specific information about accessing NLA handouts, completing pre-work, etc. closer to the program start date.

Registration Fee Payment Deadline:

An invoice for the registration fee will be sent by email to the sponsoring CNO/designee email address. Payment must reach the WNA office **prior to the first day of the program**.

Candidate Information

In addition to providing demographic and contact information, the candidate should be prepared to answer these questions:

- Committees or Work Teams: (Describe your participation or leadership role in professional committees or work teams.)
- Professional Goals: (Provide a brief statement outlining why you wish to participate in this Aspiring Nurse Leader program and what you hope to achieve in the next five years.)
- Share one example of an opportunity you have had to take a leadership role in nursing:

Online Registration Instructions

Visit the **NLA webpage** for program specifics and a link to access online registration: <http://bit.ly/nla-program>

Or access the **online registration form** directly at: <http://wisconsinnurses.org/nla-application/>

At the end of the application form, you will find buttons to 'Submit' or to 'Save' your entered information. If you are unable to finish the form in one sitting, use the 'Save' button at the bottom right to receive an email with a link to access your saved form to complete it later.

When you 'Submit' your application, a submission message will pop up telling you to 'check your inbox for a confirmation email'. This email will provide a copy of the information you entered on your application. Your sponsoring CNO will also receive this email. Contact Megan at Megan@wisconsinnurses.org if you do not receive the confirmation email – but check your 'junk' or 'spam' email folders first!

You will be notified whether you were accepted into the NLA program approximately 3 weeks before the program begins. Acceptable applicants who cannot be accommodated in their first choice program will have priority for admission to a subsequent program, but must first have approval from their CNO to attend at that later date/different location.
