Members Present: Sue Schaus, Patti Varga, Megan Leadholm, Kris Wisnefske

Welcome /Reflection: Kris read "It Is Possible "

By Joyce Rupp at <http://www.joycerupp.com/it-is-possible/>

it is possible
to become so one
with Earth
that every flower
perfumes the soul,

every snowflake
sends icy softness
dancing through veins,

every drop of rain
trickles down vessels
of the heart,

every cloud in the sky
sails along
songlines of the spirit,

every earthquake
rumbles in the gut,
every tide of the sea
moves in and out of self,

it is possible
to become one

with Earth

just as it is possible
to become one
with all people,
their pain, my pain,
their joy, my joy,
their struggle and delight
an echo of my own.

it is possible to become one.

it is possible.
