1 **AN ACT** *to create* 940.20 (2r) of the statutes; **relating to:** causing bodily harm
2 to a nurse and providing a penalty.

Analysis by the Legislative Reference Bureau

Under current law, a person who intentionally causes bodily harm to another person without the other person's consent commits the crime of battery, a Class A misdemeanor. Under current law, the penalty for battery is increased in certain circumstances. For example, if a person commits battery against certain victims, such fire fighters, jurors, or emergency medical care providers, the person is guilty of a Class H felony. This bill makes it a Class H felony to commit battery against a licensed registered nurse (RN), a licensed practical nurse (LPN), or an individual working under the supervision of an RN or LPN.

Because this bill creates a new crime or revises a penalty for an existing crime, the Joint Review Committee on Criminal Penalties may be requested to prepare a report concerning the proposed penalty and the costs or savings that are likely to result if the bill is enacted.
