NURSE PRACTITIONER FORUM

Virtual Poster Session

(Link to the Virtual Poster Display webpage: <https://www.wisconsinnurses.org/poster-session/>)

Featured are 7 juried posters summarizing nursing research or clinical projects conducted by APRNs and APRN students. Each Poster PDF is accompanied by a brief video of the poster presenters introducing themselves and explaining their project. You are invited to visit all of the posters and email your questions or comments to the presenters – let's support our nurse researchers!

.5 contact hours are available to participants who view the posters/videos and complete the evaluation questions under the Self-Study Activities section of the online conference evaluation.
