

Tenure or Tenure-Track Positions

The University of Wisconsin-Eau Claire College of Nursing and Health Sciences continues to grow and have multiple dynamic tenure or tenure-track faculty positions available at the Eau Claire, Wisconsin campus and at the Marshfield, Wisconsin site.

Interdisciplinary teaching and scholarship opportunities are readily available and supported by the University. Collaborative community exchanges, cultural immersion programs and global awareness initiatives are well-established at the University and new, innovative partnerships are supported through the University strategic plan and community agencies. Faculty and staff at the University foster student-centered learning, leadership skill development, and a strong shared governance model.

The College of Nursing and Health Sciences offers traditional and BSN-Completion, MSN, and DNP program options. Our 800+ undergraduate and graduate students engage in collaborative learning in and out of the classroom, conduct research with faculty and translate it into practice, and get hands-on experience through clinicals and practica. Additionally, we have a distance education site located in Marshfield, Wisconsin through which we connect via live interactive technology.

Priority Areas of Expertise

Eau Claire (3 positions)

- Pediatrics—Job ID #16623 (uwec.edu/job-postings/16623/)
- Maternal Child Health—Job ID #16992 (uwec.edu/job-postings/16992/)
- Adult Gerontology Nurse Practitioner—Job ID #16992 (uwec.edu/job-postings/16992/)

Marshfield:

- Clinical Medical-Surgical—Job ID #16622 (uwec.edu/job-postings/16622/)

Minimum Qualifications

A successful candidate will present evidence of the following: PhD in nursing; PhD in a related field with a Master's degree in nursing from an accredited nursing program; or a DNP from an accredited nursing program. Candidates near completion of the doctoral degree may be considered contingent on completion of the doctoral degree prior to the start of contract. Current RN licensure in the U.S. and eligibility for RN licensure in Wisconsin. RN license required by start of contract. Demonstrated experience and/or commitment to the core values of equity, diversity, and inclusivity.

Preferred Qualifications

Teaching experience in both undergraduate and graduate programs; appropriate practice experience; and evidence of scholarly and/or research dissemination.

Tenured Qualifications

To be hired as a tenured faculty, candidate should demonstrate teaching experience in a defined area of nursing in both graduate and undergraduate programs and a recognized record of scholarship accomplishment activities, including publications and presentations.

Duties

The faculty role includes traditional classroom, clinical and/or online teaching/learning as well as other innovations in inter-professional education, cross-disciplinary initiatives, community collaborations, and distance education processes. Other faculty duties include performing research/scholarly activities, engaging in service, advising, and participating in university faculty governance through service on department, college, and University committees.

Application Procedure

For complete position descriptions, requirements, and instructions for applying, please visit our employment website at uwec.edu/human-resources/employment-opportunities/. Your application will not be considered complete until all required documents are attached, and all required fields are completed. **Please be sure you have included the following in PDF format:**

- Letter of application
- Curriculum vita
- Unofficial graduate school transcript
- Copy of current RN license
- Names and contact information for three references

Priority Application Deadline

We are hiring for the Summer and/or Fall, 2021.

University and Eau Claire Community

The University campus community consists of nearly 11,000 undergraduate and graduate students. As the UW System's only Center of Excellence for faculty and undergraduate research, faculty and students regularly work side-by-side on original research. The University is ranked #1 nationally for faculty-undergraduate student collaborative research. Multiple well-established community partnerships and exchanges, cultural immersion programs, and global awareness initiatives at the university enhance student learning and faculty opportunities. For more information, please visit: uwec.edu.

The City of Eau Claire, situated at the confluence of the Chippewa and Eau Claire rivers, is at the center of a metropolitan area of approximately 100,000 people located 90 miles east of Minneapolis/St. Paul. The area features beautiful parks and trails, strong public schools, a vibrant arts scene and local food culture, and abundant recreational opportunities. For more information, please visit: visiteauclaire.com. For more information about Marshfield, please visit: visitmarshfield.com.
