Bus Parking/Staging without Reserving Meters in Advance

Instructions:

1. Buses may load and unload passengers in metered spaces along Wilson Street. (See the highlighted areas on the map above).
2. When parking in metered areas, *make sure to pay for the metered time* in all spaces your vehicle occupies and pay attention to all posted restrictions.
3. Be aware of and follow all posted street restrictions for non-metered areas. Event buses are *not allowed* to stop or park in City of Madison bus stops.
5. Passengers should enter and exit the bus onto the sidewalk and not into the street. This means buses must be parked on the north side of Wilson Street, the side of the street closest to the Capitol.
6. Bus drivers looking for a place to park until it is time to pick up passengers, may park at Olin Turville Park. Your event coordinator can provide you with a map showing the location of the park.
7. Arrangements can be made in advance to reserve metered spaces on Wilson Street. This allows a bus to stay at specific meters for longer durations than time limits allow or to ensure a preferred meter space is available for your event. Please contact your event coordinator to make arrangements.
